

International Seminar on 'Thai Longan Export to China'

Tuesday, 4 January 2020, 1:00 PM to 4:00 PM

Venue: 7th Floor, Institute of Asian Studies, Chulalongkorn University

The enhanced economic integration in the Greater Mekong Sub-region has changed the flows of goods, investment, and people. One example is the trade of fresh fruits, which can be a driver of rural economic development. In this seminar, we invite **Dr. Koji Kubo**, Visiting Researcher, Institute of Asian Studies & Senior Researcher, Institute of Developing Economics (IDE/JETRO) to provide us with the perspectives on **'Labour Migration Management in Longan Export Supply Chain'**. The seminar is complemented with the case study of **'Thai Exports of Longan from Thailand to China'** by researcher of the Asian Research Center for Migration, Institute of Asian Studies, Chulalongkorn University.

Chairperson: Assistant Professor Dr. Naruemon Thabchumpon, Deputy Director of the Institute of Asian Studies (IAS) and Director of Asian Research Center for Migration (ARCM), Chulalongkorn University
