### Detailed Project Statement

#### 1. Please provide a detailed project statement outlining the following items. (white A4 paper)

- Motivation and need for the project
- Background (Place the project in academic or professional context by referring to the major works by the others on a topic. In some cases, this can be aided by use of a selected bibliography. Also describe the relevance of your previous research and training to the proposed project.)
- Objectives (Define clearly the objectives of the project.)
- Scope, design, and methodology (Describe the project and explain the approach and methods you will follow.)
- Schedule (Explain how your project can be completed within the time period proposed.)
- Significance (Explain the significance of the project for the field, your own professional development, and your home country.)
- Plans for dissemination (Describe plans for dissemination of results both in your country and elsewhere.)
- Other additional statement in relation to the project.

#### 2. Publications

A complete listing of all publications should be included in this section and translated into English. Use the standard format for bibliographic citation.

- I pledge that I will do my best to abide by the regulations and the purpose of the program.
- I certify that to the best of my knowledge, the information provided in all parts of my application is accurate and complete. I also understand that any misrepresentation may cause denial of financial aid from KFAS.
- I understand that the final approval of my application is dependent upon my eligibility for a visa to Korea.
- I agree to return to my home country upon the expiration of my authorized stay in Korea.
